
vanarama
an AutoTrader company

Vanarama is an award-winning personal and commercial vehicle leasing company. As a Junior Designer I worked on several campaigns covering a range of disciplines. Creating logos, icons, artworking, image manipulation and organisation were key. Stakeholder management, adaptability and excellent communication were essential aspects of the role.

vanarama
an AutoTrader company

“

This is my fourth vehicle from Vanarama - its quick and simple - and I can’t fault it.

AutoTrader

Autotrader, the largest vehicle matchmaking platform in Britain. During my tenure with the company, I played a pivotal role in creating diverse assets. This included spearheading Solus Ads, crafting impactful lead banners for the website, and overseeing image editing with precision and expertise.
